

src/common/exception
/Exception.hpp

```
graph TD; A["src/common/exception  
/Exception.hpp"] --> B["stdexcept"]; A --> C["string"];
```

A diagram showing a dependency structure. At the top is a gray rectangular box containing the text "src/common/exception /Exception.hpp". Two blue arrows originate from the bottom edge of this box. The left arrow points down and to the left to a white rectangular box containing the text "stdexcept". The right arrow points down and to the right to a white rectangular box containing the text "string".

stdexcept

string
